

Broasted Chicken

QUESTION...

What is broasted Chicken?

A special way of cooking. Our fresh chicken is marinated for 24 hours then breaded and cooked in a Broaster®.

What's a Broaster?

A Broaster® is a very specialized piece of cooking equipment that fries under pressure, while not available for home use, this specialized equipment produces chicken that has a crisp outer coating, is juicy, piping hot, NEVER greasy and down right delicious. Much, much better than ordinary deep frying.
